### Specifikacija / Spec. Values

### Rezultati / Batch Values

|                                                             |                                                                                                                                              |                    |
|-------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| Lastnosti / Properties:                                     | Brezbarvna ali rahlo rumena, bistra tekočina, značilnega vonja. /<br>Clear, colourless or pale yellow liquid, it has a characteristic odour. | Ustreza / Conforms |
| Istovetnost / Identification:                               | according to test                                                                                                                            | Pozitivna / Pass   |
| Relativna gostota / Relative density:                       | 0,878 - 0,892                                                                                                                                | 0,886              |
| Lomni količnik / Refractive index :                         | 1,455 - 1,466                                                                                                                                | 1,4608             |
| Optična sučnost / Optical rotation:                         | - 12,5° to - 7,0°                                                                                                                            | - 8,6              |
| Kislinsko število / Acid value:                             | ≤ 1,0                                                                                                                                        | 0,2                |
| Kromatografski profil /<br>Chromatographic profile:         | according to test                                                                                                                            | Ustreza / Conforms |
| Kiralna čistost / Chiral purity:                            | according to test                                                                                                                            | Ustreza / Conforms |
| Mikrobna onečiščenja/<br>Microbial contamination:           | according to test                                                                                                                            | Ustreza / Conforms |
| Aflatoksini/Aflatoxine:                                     | according to test                                                                                                                            | Ustreza / Conforms |
| Zaostala topila/Residual solvents:                          | according to test                                                                                                                            | Ustreza / Conforms |
| Konzervansi, antioksidanti/<br>Preservatives, antioxidants: | free                                                                                                                                         | Ustreza / Conforms |
| BSE/TSE:                                                    | free                                                                                                                                         | Ustreza / Conforms |
| GMO:                                                        | free                                                                                                                                         | Ustreza / Conforms |
| Težke kovine/Heavy metals:                                  | according to test                                                                                                                            | Ustreza / Conforms |
| Pesticidi/Pesticides:                                       | according to test                                                                                                                            | Ustreza / Conforms |

### Opombe / Notes:

Datum analize / Date of analysis: 02/10/2010  
Uporabno do / Expiry date: 07/2013 ✓  
Datum proizvod / Manufacturing date: 07/2010

Mnenje/Opinion: Po navedbah proizvajalca substanca ustreza Ph.Eur.6th. /  
According to the manufacturers specifications the substance corresponds to Ph.Eur. 6th.
