

# Analizni izvid / Certificate of analysis

## Paraffinum liquidum

Serijska številka / Batch n°: MH155/10 ✓  
 Deklaracija / Corresponds to: Ph.Eur.

Datum analize / Date of analysis: 10/11/2010  
 Uporabno do / Expiry date: 09/2013 ✓  
 Datum proizvodnje / Manufacturing date: 09/2010

| Specifikacija / Specification Values                                     |                                                                                                                                                                                                                                                                                                                              | Rezultati / Batch Values |
|--------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------|
| Lastnosti / Properties:                                                  | Brezbarvna, prosojna, oljna tekočina, ki ne fluorescira na dnevni svetlobi, skoraj netopna v vodi, težko topna v etanolu, meša se z ogljikovodiki. /<br>A colourless, transparent, oily liquid, free from fluorescence in daylight. Practically insoluble in water, slightly soluble in ethanol, miscible with hydrocarbons. | Ustreza / Complies       |
| Istovetnost / Identification:                                            | v skladu s preskusom / it complies with the test                                                                                                                                                                                                                                                                             | Ustreza / Complies       |
| Kislost ali alkalnost / Acidity or alkalinity:                           | v skladu s preskusom / it complies with the test                                                                                                                                                                                                                                                                             | Ustreza / Complies       |
| Relativna gostota / Relative density:                                    | 0,827 – 0,890                                                                                                                                                                                                                                                                                                                | 0,860                    |
| Viskoznost / Viscosity:                                                  | 110 – 230 mPa·s                                                                                                                                                                                                                                                                                                              | 182 mPa·s                |
| Policiklični aromatski ogljikovodiki / Polycyclic aromatic hydrocarbons: | v skladu s preskusom / it complies with the test                                                                                                                                                                                                                                                                             | Ustreza / Complies       |
| Hitro karbonizirajoče substance / Readily carbonisable substances:       | v skladu s preskusom / it complies with the test                                                                                                                                                                                                                                                                             | Ustreza / Complies       |
| Trdi parafini / Solid paraffins:                                         | v skladu s preskusom / it complies with the test                                                                                                                                                                                                                                                                             | Ustreza / Complies       |

Opombe / Notes:

Mnenje / Opinion:

Po preskušanih parametrih vzorec ustreza Ph.Eur.6th.  
 According to the tested parameters the sample corresponds to Ph.Eur.6th.
