

## Chlorali hydras

Serijska številka / Batch n°:  
 Deklaracija / Corresponds to:  
 Proizvajalec / Manufacturer:

083109  
 Ph.Eur.  
 Caesar & Loretz GmbH

<http://www.lex.si/>  
 FARMADENT d.o.o.  
 Minarikova ul. 6  
 2000 Maribor  
 Prejel: FUJS DRAGO  
 ZP 9/11  
 Datum prejema: 5.10.10  
 Pregledal: MAROLT Robert, mag. farm.  
 Datum pregleda: 6.10.2010

|                                           | Specifikacija/Spec. Values                                                                                                                                                                               | Rezultati/Batch Values |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
| Lastnosti / Properties:                   | Brezbarvni transparentni kristali, zelo lahko topni v vodi, lahko topni v etanolu (96 odstotnem). /<br>Colourless, transparent crystals, very soluble in water, freely soluble in ethanol (96 per cent). | Ustreza / Conforms     |
| Istovetnost / Identification:             | according to test                                                                                                                                                                                        | Ustreza / Conforms     |
| Vsebnost / Assay:                         | 98,5 – 101,0 %                                                                                                                                                                                           | 99,6                   |
| Videz raztopine / Appearance of solution: | according to test                                                                                                                                                                                        | Ustreza / Conforms     |
| pH / pH:                                  | 3,5 – 5,5                                                                                                                                                                                                | 5,01                   |
| Kloral alkoholat / Chloral alcoholate:    | according to test                                                                                                                                                                                        | Ustreza / Conforms     |
| Kloridi / Chlorides                       | ≤ 100 ppm                                                                                                                                                                                                | Ustreza / Conforms     |
| Težke kovine / Heavy metals:              | ≤ 20 ppm                                                                                                                                                                                                 | Ustreza / Conforms     |
| Nehlapni ostanek / Non-volatile residue:  | ≤ 0,1 %                                                                                                                                                                                                  | 0,01                   |

## Opombe/ Notes:

Datum analize / Date of analysis: 02/02/2010  
 Uporabno do / Expiry date: 06/2011 ✓  
 Datum proizvod / Manufacturing date: 06/2009

Mnenje/Opinion: Po navedbah proizvajalca substanca ustreza Ph.Eur.6th. /  
 According to the manufacturers specifications the substance corresponds to Ph.Eur. 6th.
